Date: 08.09.2026

Corrigendum

The title of the project, “Computational Design of 2D materials and their interfaces with out-of- plane piezoelectricity”, may be read as “Computational design of 2D materials and their interfaces for a high out-of-plane piezoelectricity.”

This is to correct an inadvertent, minor wording error in the project title.

The last date for receipt of applications has been extended to 17th September 2026.
